## PM SPEECH IMPACT – GOLD, OIL, PETROL & TRAVEL RESTRICTIONS

In his recent address, the Hon'ble Prime Minister highlighted key issues that impact the economy and markets. Here's a quick snapshot of the key takeaways and market impact.

**GOLD**  
Emphasis on reducing dependence on imports and boosting domestic value addition.

**IMPACT:**  
Gold prices supported amid global uncertainty. Jewellers and gold ETFs may see continued traction.

**OIL & PETROL**  
Focus on energy security, strategic oil reserves and stable fuel prices for consumers.

**IMPACT:**  
Crude prices remain volatile but stable fuel outlook is positive for inflation and transport sectors.

**PETROL PRICES**  
Government committed to keeping petrol prices affordable and reducing tax burden if needed.

**IMPACT:**  
Relief for consumers; supports demand recovery in auto, logistics and discretionary segments.

**TRAVEL & AVIATION**  
Push for domestic tourism and aviation growth to boost employment and economic activity.

**IMPACT:**  
Aviation and tourism may see short-term pressure; domestic travel demand remains resilient.

# BUILDING WEALTH IN THE AGE OF INTELLIGENCE

*Dear Readers,*

Welcome to this special edition of  
**FUTURECAPS DIGEST.**

We are living through one of the most transformative periods in financial history. Artificial intelligence, digital infrastructure, clean energy, robotics, semiconductors, and data-driven innovation are reshaping industries faster than ever before.

Yet amid all the excitement, one principle remains timeless:

“ True wealth is not created overnight — it is built through discipline, patience, and intelligent decision-making.

India stands at the center of a powerful global transformation. Strong demographics, rapid digital adoption, infrastructure expansion, and a thriving entrepreneurial ecosystem position us for a decade of exceptional growth.

At **FUTURECAPS DIGEST**, our mission is simple: to help investors stay informed, think independently, and identify opportunities before they become mainstream.

## SMART INVESTING PRINCIPLES

### FOCUS ON LONG-TERM COMPOUNDING

Time is your greatest ally.

### UNDERSTAND BUSINESS QUALITY

Invest in strong businesses with a durable moat.

### INVEST WITH PATIENCE

Great wealth is built over years, not days.

### EMBRACE INNOVATION RESPONSIBLY

Back the future, but stay grounded in fundamentals.

### CONTROL RISK, PURSUE GROWTH

Protect your capital while aiming high.

As you explore this edition, we encourage you to remain curious, optimistic, and committed to continuous learning. The future belongs to those who invest with knowledge, discipline, and conviction.

“

The greatest investment you can make is in your ability to learn and adapt.

Thank you for being part of the **FUTURECAPS** community.
